

PHIL SHEARER

PRODUCTION DESIGNER / CONCEPT DESIGNER

CELL: +61 (0)418 761 761

PO BOX 1204 ROZELLE SYDNEY AUSTRALIA 2039

EMAIL: PHIL@FILMDESIGNER.COM

WEBSITE: WWW.FILMDESIGNER.COM

Phil has been part of the Feature Film and Television industries for the past 25 years. Having participated in some of the most prominent feature films and vibrant television productions, theme park and theatrical design, Phil has extensive experience in the conceptual and technical facets of film and screen design.

Phil has been very successful at helping Art Departments and VFX Departments to communicate and has a reputation for providing solutions to production and conceptual design requirements. With highly developed conceptual design skills and an acute understanding of the realities of design.

Phil is an excellent and indispensable part of any team, whether it be as an individual or as team leader.

Phil's skill-set includes Concept Design, Illustration, Art Direction, documentation, engineering and is qualified as an Industrial Designer.

Phil currently resides in the centre of Sydney, Australia with his family and a collection of mad animals and is happy to travel to the corners of the globe when required.

He always carries a cell phone.
